### **About the Company**

BLB Design / Build is a Design Build firm in historic Amesbury, Massachusetts. Our office is in a renovated automobile and textile mill in Amesbury's central business district. Our projects include high-end, luxury residential remodels and new builds in the Greater Newburyport area, north of Boston suburbs, and the southeastern coast of New Hampshire. The BLB team takes pride in going Beyond the Build, and we value first-class craftsmanship and professionalism, frequent and responsive communication, meticulous, detail-oriented results, enthusiastic and positive service, and care for our clients and their investments.

We are a tight-knit, hardworking, and dynamic team dedicated to a common end goal – vibrant, contemporary living spaces beyond expectations.
